Creepy Clown Chase 5K Start Time 4:30 pm

Tito Huerta Park (corner of Hawk and Palm Avenues) in Heber, CA

The Creepy Clown Chase 5K

It's that time of year when Creepy Clowns inhabit Heber and you must run for your life. The Creepy Clown Chase 5k is an obstacle run with Creepy Clowns motivating you to run! Creepy Clowns will chase you and try to squirt you with blood!

The race course follows a route through Creepy Clown infested fields, parks and streets in Heber. As we all know, Creepy Clowns like to chase you over walls, through drain pipes, over hills and bales. The course is complete with Army boot camp like obstacles that test your strength, agility and endurance. You will come in contact with natural and man-made obstacles and Creepy Clowns will try to mark you (squirt bottle) with fake blood.

Creepy Clowns will start the race with blood in a squirt bottle, and if they get some on you then you have fallen victim to their creepiness and will most likely die (or at least slow down). Don't worry the blood is nontoxic (corn syrup and food coloring) and although these creepy clowns won't hurt you...they will get close enough to scare you to the finish line!

If the Creepy Clowns get blood on you, you are his victim and die, and won't be eligible to win a trophy. But don't panic! If you get bloody and dead, you can be revived! All you need to do is stop at a medic station (2 locations) and **A LOCAL FIRE FIGHTER** will prescribe a short exercise or task (song, dance) in order to save your life. He will give you a sticker that you must wear to the finish line. That sticker will allow you to keep running for your life and possibly win a trophy.

Even if you are bloody and dead, you should still finish the race and keep on trying to out run Creepy Clowns. If you cross the finish line bloody and dead...you won't win a trophy, but you will still get a cool T-Shirt!

To Win: You need to be the first male or female **STILL ALIVE OR WITH A STICKER** to cross the finish line. In the following age groups:

BRAVE – Under 13 (Creepy Clowns love tender flesh)

DASHING – 13 - 18 (Creepy Clowns love fast food)

FEARLESS – 19 - 30 (Creepy Clowns love a good challenge...makes everything taste better)

GUTSY – 31 - 49 (Creepy Clowns love tripe)

FOOLHARDY – 50 and over (Frightened flesh tastes the best)

Obstacles: can be "skipped" if you're willing to live with the shame. Creepy Clowns think you are delicious when you skip the hard parts. Failure to follow ANY rule will result in being removed from the course and tied to a post while Creepy Clowns eat your flesh!

No touching the Creepy Clowns as they are only trying to mark you with some fake blood. Creepy Clowns **DO NOT HAVE ANY WEAPONS AND WON'T TOUCH YOU OR HURT YOU**. You can run, you can jump, you can evade, you can scream...but don't leave the race course or you will be disqualified.

Water Stations are located on Correll Avenue and at the finish line.

Restrooms are located on Correll Avenue and at the finish line

Fire Fighters are located on Correll Avenue and the finish line for first aid treatment.

What Type of Creepy Clowns are there?

There are two types of Creepy Clowns. Chasers and Floaters

Floater Creepy Clowns are slow movers. They may hide, crawl or walk slowly, but they do have a tendency to squirt blood quickly. Chaser Creepy Clowns are fast movers that chase the Humans squirting them with blood and make them scream as they run.

Creepy Clowns should stay within a hundred feet of their assigned area. You can't chase one runner all the way through the race. Don't worry there is always another human trying to sneak by you...mark them with blood!

Creepy Clowns report to the Ring Master. It is there you will be subjected to a series of jokes to see if you are 'IT' and when we are 100% certain you are a REAL Creepy Clown we will arm you with a squirt bottle of fake blood, and help you with your makeup and costume.
